

ClearCert Network Providers

These firms adhere to ClearCert's Course Commandments, demonstrating their dedication to quality and compliance. Long-term care agents can select a course from a ClearCert Network Provider with the confidence that course completions are certified to be fully acceptable to all ClearCert Carrier Members.

ClearCert's Course Commandments

- I. Each course must earn ClearCert Content Certification before made available to students
- II. Each course completion must result in a single, unique, dated completion certificate
- III. Exams must meet current state continuing education guidelines (whether or not CE credits are issued)
- IV. Course content must be presented as certified by ClearCert
- V. Course completions must be reported to ClearCert within 15 days
